To Banjo Students:

A Few Reasons Why You Should Use Goldby & Shepard's "PROGRESSIVE STUDIES" for the Banjo.

FIRST—Because they are superior to any instruction book published

SECOND—Because a thorough knowledge of the Banjo is gained in one-half the usual time.

THIRD—Because everything pertaining to the art of playing the Banjo is fully explained and easily understood.

FOURTH—Because they are used and indorsed by nearly every teacher in the United States.

FIFTH—Because for teachers' use, and as a self-instructor they have no equal.
